

FARMFILM PERFORMANCE

PERFECT FOR ROUND AND SQUARE BALE WRAPPING

Farmfilm Performance has remained a UK manufactured film. It is designed to work on all types of bale wrappers. The unique blend of Farmfilm Performance ensures a high puncture and tear resistance perfect for round and square bale wrapping.

Farmfilm Performance impresses with optimised operation characteristics and reduced tail formation. The film's flexibility allows it to attach to the bales immediately after cutting.

BENEFITS

- Multi-Layer
- High Puncture resistance
- Stops Tailing
- Perfect combination for Quality Bales

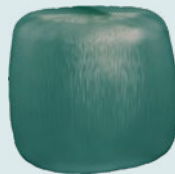

HIGH PERFORMANCE SILAGE FILMS

AVAILABLE IN THE FOLLOWING COLOURS

black

dark green

white

ADVANTAGES

MULTI-LAYER

Our Multi-layered film is manufactured on the latest generation equipment.

HIGH PUNCTURE RESISTANCE

With the Unique blend formulation we can produce a high puncture force, making it difficult for the toughest of stalks to come through.

STOPS TAILING

The Double sided cling gives you a double sided adhesion that ensures that when the bale tips off, the tail stays where it should, on the bale.

PERFECT COMBINATION FOR QUALITY BALES

Farmfilm takes the stress out of bale wrapping. Just Wrap and Go.

TECHNICAL DATA

WIDTHS	500 mm	750 mm
ROLL LENGTH	1800 m	1500 m
PACKAGING	48 reels/ pallet	40 reels/ pallet
UV RESISTANCE	12 months, 110 - 220 Kly / year

QUALITY & SERVICE

As an industry leader, Coveris Winsford UK is focussed on quality. Raw materials and finished products are assessed on an ongoing basis in our in-house lab to ensure very high quality standards. Every roll core has its own serial number to allow easy tracing of problems. Our application engineers are of course available to you at any time.
